

Library Friends of Oak Bluffs

Our mission is to promote the library as an active, dynamic, education and information center in the community and to support and enhance our library's programs, services and collections.

Would you like to be a "Friend"?

The Library Friends of Oak Bluffs are dedicated to enhancing the activities of the Oak Bluffs Public Library for the residents of Oak Bluffs and the larger community. Funds are raised from contributions, dues, sale of our cookbook, as well as our annual Book Sales. Our fundraising activities help support programs for adults, young adults and children, including the Summer Reading Program, a book drop, extra copies of high demand books and other important gifts to the library. We welcome your support.
