

Library Friends of Oak Bluffs

Our mission is to promote the library as an active, dynamic, education and information center in the community and to support and enhance our library's programs, services and collections.

Volunteer Opportunities

How you can help . . . You too can help the Friends support the library.

- Support us with your membership dues
(print a [Membership Form](#) or pick one up at the library)
- Support us with your book donations
(see our [Book Donation Guidelines](#) or pick up a copy at the library)
- Support us with your time, interests and skills
If you can share some time, there are lots of ways you can help.
Maybe one of these **Volunteer Opportunities** is just right for you:
 - Book Sales – help set up, staff the sales table, transport books, organize books that are donated throughout the year
 - Library events and programs – greet participants, assist lecturers, sign up guests in raffles, prepare or donate refreshments
 - Our cookbook, “Tastes of Cottage City” – purchase a cookbook, place cookbooks for sale with a local merchant, carry the cookbook at **your** business
 - Contribute ideas for events, fundraising and community outreach
 - Contact media to publicize Friends events
 - Help host our Holiday Open House, bake a treat, organize a children’s activity
 - Participate in the activities of the Friends Board.

Won't you join us in our mission? Just mail your completed [membership form](#) with your check to the address below or drop off the form with your check at the library.
