

Show Your Library Some Loving

It takes a lot of time, talent and money to provide the library programs that promote life-long learning, celebrate culture and provide entertainment. The Library Friends of Oak Bluffs exists to fill the financial gap between what the town can afford and what the community wants and deserves. There are many ways you can join the effort.

1. Become a member. Annual dues are just \$10.
2. Make a donation either directly or through Amazon Smile. We welcome donations of any size.
3. Volunteer your time and talents at our annual book sale, bake something for the gala holiday party, take photos for the newsletter, help at programs, raise funds . . .
4. Attend the Mini-Golf event, enjoy a meal at our Dine to Donate event at Offshore Ale, buy books from our used book sale.
5. Donate books for the sale — it takes a lot of them! If you are spring cleaning, set aside any unneeded books, DVDs, games and puzzles for the annual Library Book Sale. Books must be in good to excellent condition and medical, science and travel books must be no more than three years old.

Upcoming book drives are being held Sat., March 9 from 10am-12:30pm and Sat., April 13 from 12:30-2:30. Please note that donations cannot be left unattended at the library or put into the book return bins

There's yoga with goats and yoga with glow sticks and yoga in all sorts of settings, but the Oak Bluffs Library has *FACE YOGA*. You'll tone all 43 facial muscles for a more youthful look and improve your complexion. It's a six-week program, beginning Mar. 5, with sessions Tuesdays & Thursdays from 4-4:30pm and Saturdays from 3-3:30pm.

It's All Fun & Games at the Library

As surely as winter gives way to spring, opportunities for fun abound at the library. Some are special events — like Mini Golf in March, the eggstravaganza of an April Egg Hunt and an Alice in Wonderland Tea Party in honor of Mother's Day. The good times come fast and furious. Every week you can play board games at The Barn on Mondays, explore your writing talents on Thursdays, plumb the intricacies of chess or build something special with Legos Saturdays. Monthly activities include art events, dance parties, quilting and other fiber arts, testing your culinary skills and learning new ways of cooking, or going for the glory in the library's unique variety game show known as Membership Down! And that just skims the surface of what's happening. And oh yeah—we've got books. Lots and lots of them. Check us out. You'll be glad you came!
