

## What is At Home Service and how does it work?

At Home Service connects the library to those in our community for whom visiting the library is a hardship. For qualifying patrons, a staff person and/or a volunteer will deliver library materials in person at the patron's home.

At Home Service provides you with the full spectrum of library materials and services, including:

- Large & regular print books
- Audiobooks
- DVDs & Blu-rays
- Music CDs
- Magazines
- Internet research materials
