

Digital Archive Referral Guide

Compiled by Oak Bluffs Public Library Reference Department

Purpose: One in a series of guides collated by staff at the Oak Bluffs Public Library where researchers can access digital archives from a variety of sources regarding Oak Bluffs and Martha's Vineyard. Please note the library did not create these resources, we are only offering information about their usefulness as related to particular topics. These guides are in no way an exhaustive list of digital resources available and before sharing content found, the patron should follow general copyright guidelines.

If you need further assistance or referrals, please contact the Reference Desk: 508-693-9433 or email: nferry@clamsnet.org
