How to use the Gale Databases to access NYT and Proquest database to access Boston Globe through your library's website

- Now you can **choose any date**. This will allow you to browse by article. **Note:** No crossword puzzles, or photographs are available in the database. To browse a different date, use you back button, or open a new tab and redo above process.

- For the Boston Globe, you will search the Proquest database. Once you have clicked on the Boston globe link from the database list, you will be brought directly to the paper's listing, click on it.

- On the next screen, scroll down the page a bit and look for "browse specific issues." Click on year, month, date and browse!
